Customer Reviews

"Rock the Casbah" was a hoot. As a professional party planner, I wish I had friends who were as willing to play as the authors friends undoubtedly are. If you have friends who will dress up for a theme party and get in the spirit, this book is full of ideas that can be easily recreated in your own home or apartment...on a budget.Read and enjoy! The book was such a nugget for me to find. I have been looking for a good party game book and THIS IS IT! Complete start to finish guides for each party include: invitation ideas, decorations, food and even music. FIVE STARS all the way!
