Business Insurance Toolbook: How To Protect Your Business From Liabilities And Losses

Synopsis

How do you lower the cost of insurance so you can increase your income? How do you file for claims so your insurance company will pay, and not fight? How do you choose the right insurance agent/broker who will take care for you? How do you get the right insurance for you? This book will help you answer these questions. It will help you save thousands and even millions of dollars from frivolous lawsuits, liabilities and losses. There are a lot of competing insurance companies out there to get your money to pay them, but some will fight to death so they won't pay your claims. This book will show how to get your claims. Increasing your deductibles while lowering your insurance cost is detailed out in this book to help you get the most out of your money. This book is also designed for you to better understand business insurance. Reviews: "Excellent simple read of insurance. It will help you become a better consumer and save money while not losing on quality service" - Dave Ernest "This book is very helpful and simple to read. I recommend this to people who shops for business insurance, and better understand the workings of the industry." - Cynthia Cornett "A good overview of business insurance. Helpful source of the basics about terms used in business insurance, how to lower the cost, reduce the premium and risk, and selecting the right broker" - Micahel Selph
