Study Of Ebony Skin On Black - Nude Figure Studies Of Art Model Vanessa Jeanene - Color And Select Black & White Photography (Vanessa Jeanene's Nudes Book 1)

Synopsis

â œStudy of Ebony Skin on Black - Nude Figure Studies of Art Model Vanessa Jeanene - Color and Select Black & White Photographyâ • represents, in 41 color and black and white photographic images, the first of several in the series â ^Vanessa Jeanene's Nudesâ ™ of studies featuring nude figure art model Vanessa Jeanene. Vanessa Jeanene is a long, thin and busty dark ebony skinned figure model in her mid 20â ™s who has great poise, balance and quite a bit of flexibility to her limbs. In â œStudy of Ebony Skin on Black,â • we see Vanessa Jeanene in a series of sensually erotic poses in a low key lighting setup in front of a dark black backdrop. With few exceptions, the images are in color. A few are in black and white, and a couple have been fully photo manipulated to include fantasy backgrounds. One of these images, which was also incorporated into a fantasy background, has a variety of color style treatments. This variety of treatments demonstrates the shift in moods, which are altered dramatically by the treatments. Yucel Yalim is an award winning professional photographer currently residing in Phoenix, Arizona. All images and content Â© Yucel Yalim 2012. All rights reserved.
