Creepie Crawlies Without Stress: Rolling Voice Adult Colouring Books (Anti Stress Book 1)

Synopsis

A wide collection of all things creepy, think Ghouls, Monsters, Zombies, Mummies, and other scary things that go bump in the night, mixed with some not so creepy, as in Witches, Pumpkins, Castles, Graveyards and other such (not so) monstrous pictures drawn by a group of likeminded artists that make up Rolling Voice, and can now be revealed illustrated this Adult Colouring Book whilst being locked up in a dingy basement in SW15 (we think), chained together, regularly beaten with other authors unsold rolled up colouring books (literally) if we didnâ™t produce a certain number of pages every hour. Thank god, that hell is nearly over and once we hit a certain number of sales we shall be released back in to society. Unfortunately that number is rather high and as a result you, the lucky patron (still walking freely outdoors), will be able to enjoy other volumes of this book as we are still drawing every hour and should have our next episode out soon. Boasting over 95 designs, some intricate (will take ages to colour), whilst others are designed with simpler patterns for when you are looking for something easier to spend a few minutes on (or having a bad health day). We could go on about Jung and his colouring books, but we leave that to other authorâ™s descriptions and try to differentiate ourselves through our work and philosophy. We hope those who see our work realise this difference and appreciate the extra effort we try to put in (every hour).
