Diving & Snorkeling Tahiti & French Polynesia

Synopsis

Tahiti, Morea, Bora Bora - names that evoke warm South Pacific fantasies. French Polynesia boasts legendary topside beauty and a variety of diving adventures. Join a shark feed, swim with manta rays or snorkel alongside humpback whales. Pelagic encounters top a list of underwater highlights, including dramatic topography, prolific marine life and even a few shipwrecks. From the ripping passes at Rangiroa to the sheltered lagoon of the Society Islands, this book details nearly 50 of French Polynesia's best sites, with full-colour photos throughout. You'll get specific information on:

- Dive site topography and conditions
- Diving services and live-aboards
- Common and hazardous marine life
- Topside attractions from Polynesian dancing to pearl farms
- 14 easy-to-read maps

Customer Reviews

This met my expectations quite well. A good overview of the area, followed by a review of the key dive spots in French Polynesia. Excellent phtography, including a good critter guide at the end.The only downside I can find is that there's no real overview of good snorkeling sites . . . they're lumped in with diving sites.Overall, I'd recommend . . . I know it will be useful for my trip!

This book is ok for snorkeling advice. Mostly geared to diving. A lot of the descriptions of the locations for snorkeling where not accurate. I would recommend since you really do not have a choice.

An excellent guide with supurb photos, invaluable to anyone planning to dive these islands. The

layout is intelligent and very easy to follow, and the practical advice is well up to the standards I expect of LP. Buy it well before you go to plan out that dream vacation

Book was as promised. In great shape

thanks!
