Synopsis

Welcome to the PMReview ZoomBook and your key to passing the insurance license exam the first time! The PMReview ZoomBook License Exam Study Guide breaks down the typical 500+ page state license exam manual into its essential elements: the 100 hot topics new students need to know to pass the life and health insurance license exam the first time. We have separated these topics into three categories for easy reference: Life (L), Health (H), and Annuities (A). These 100 topics are the key to your success! Written in a rather 'folksy' style for easy understanding, the ZoomBook contains 100 topics of life insurance, health insurance, and annuities plus 500+ industry terms with easy definitions for your exam preparation. Our goal is to help the people that need the most help in the best way possible. Review what you need, skip what you don't, but just know: you WILL see these topics on the exam. Customer Reviews

I passed. There were some parts of this book that were confusing so I spent a lot of time researching on the internet to supplement this book. If I hadn't have done that, I would not have passed. However, what do you expect for 2.99? I would love it if the author would replace all instances of "they" with the actual entity he is referring to. It's often unclear if he means "they" the policy holder, the insured, or the insurance company.

It has a lot of good points in the book but it still did not help to pass my life insurance test.

I am studying for my state exam and this book has help understand insurance better.

This zoombook has helped me prepare for the life and health exam. Great e-book.

Great book, very simple, practical. Helped me pass my test. Thank you.
