Best Sellers Rank: #94,204 in Books (See Top 100 in Books) #6 inÂ Books > Textbooks > Medicine & Health Sciences > Allied Health Services > Optometry #8 inÂ Books > Medical Books > Allied Health Professions > Optometry #228 inÂ Books > Textbooks > Medicine & Health Sciences > Test Preparation & Review

## Customer Reviews

Quite honestly this book did not prepare me for what was on my test. I read the entire book, studied all the material from it and even did practice tests for it. I recently took my test and did do better on it than I was doing on the practice tests. However, I do not feel it prepared me for what was one the exam at all. I am sorry to say that

I used this book, the practice tests, and chads videos. I scored highly enough to get accepted to a great school, and you can do it too!

This is the best review book out there. I took the OAT once and when I went through the entirety of this book for my second attempt, and used no other materials, I jumped 30 points. I recommend it.

So far so good. Almost about to finish my biology section to move on to chemistry. Really tackles all the basic you need to know.

loved this book. helped me very much with OATs.
